FRIENDS OF BALLONA WETLANDS ENHANCEMENT AND EDUCATION

Project No. 17-041-01

Project Manager: Mary Small

The section, **CONSISTENCY WITH CONSERVANCY'S PROJECT SELECTION CRITERIA & GUIDELINES** is revised to replace paragraph 4. with the following:

4. **Support of the public:** There is a great deal of controversy around the Ballona Wetlands but all advocates support hand restoration led by the community. Approximately 7,000 students and 2,500 community members participate in FBW restoration events each year. The project is supported by the Department of Fish and Wildlife, see Exhibit 3.
